

Threading Class at Von Lee School

**Sunday March 21, 2010
10:00 a.m.**

The Threading technique has been respected for over 1000 years in India and other parts of Asia which only uses 100% cotton thread to gently remove unwanted individual facial hairs from the root. This alternative practice to waxing and tweezing is preferred by clients for many reasons, including:

- ◇ Eliminates irritation and redness; great for acne - prone clients.
- ◇ Reduces product cost and yields higher profits
- ◇ Natural, fast, effective safe method of hair removal
- ◇ Allows Service Provider to generate the greatest precision and results

Yes, I would like to attend the Threading Class to be held on March 21, 2010.

Non-Refundable Class Fee: \$150.00 (cash, check, credit card)

Call 410-653-1966 to reserve your space!

Please register by March 10, 2010 as space is limited.
Certificates will be awarded upon successful completion
